# Do You Want LONGER HAIR?

## THEN TRY THIS Proven Easy System on Your Hair

**HELPS PREVENT BRITTLE ENDS FROM BREAKING OFF!**

HERE IS THRILLING NEW HOPE for millions who want their dry, lusterless, unruly, brittle and breaking off hair more lovely ... longer. The Juelene SYSTEM has helped men and women all over the nation to find new happiness and confidence in more beautiful, healthy appearing hair. Yes, hair may get longer—the scalp and hair condition being otherwise normal—if the breaking-off process of dry, brittle ends can be retarded. That's why Juelene is such a natural way to help your hair gain its normal beauty. This wonderful SYSTEM helps relieve hair dryness that is caused by lack of natural oils. It helps soften harsh, brittle ends, thus giving your hair a chance to get longer once the breaking-off and the splitting ends have been curbed. If your hair is dry, rough and hard to keep neat, try the easy Juelene SYSTEM for just 7 days. See if Juelene's tendency to soften harsh, difficult-to-manage hair can help yours to become softer, silkier, more lustrous than it has been before—in just one short week! You may win compliments from both men and women who admire and envy your hair in its new lovely beauty.

# "SING YOUR WAY HOME"

### I'LL BUY THAT DREAM

(From the R.K.O. picture "Sing Your Way Home")  
Herb Magidson Allie Wrubel

Before we met I never dreamed much  
It always seemed such—a waste of time.  
But now I find my ev'ry night full  
Of dreams de-light-ful  
And you're the reason and the rhyme:

Imagine me with my head on your  
shoulder  
And you with your lips getting bolder,  
A sky full of moon and sweet mellow  
tune  
I'll buy that dream.  
Imagine me in a gown white and flow'ry  
And you thanking dad for my dow'ry,  
A churchful of folks—and those last  
minute jokes,  
I'll buy that dream.  
A honeymoon in Cairo in a brand new  
autogyro  
Then home by rocket in a wink.  
We'll settle down near Dallas in a little  
plastic palace,  
It's not as crazy as you think  
Imagine me on our first annivers'ry  
With someone like you—in the nurs'ry.  
It doesn't sound bad—and if it can be  
had  
I'll buy that dream.

Ice cream, sodas and apple pies  
Eggs and bacon and cottage fries  
Simple things that make you realize  
Heaven is a place called home  
Moving pictures and Broadway shows  
Corner drug stores and nylon hose  
Ev'ry Yankee who's a Yankee knows  
Heaven is a place called home.  
It's the chug, chug, chug—of a choo-

A rooster crowin' in the mornin'  
It's Aladdin's lamp wrapped in  
cellophane  
What a wonderful land to be born in,  
Palm beach in winter, New York in

### Hollywood Heartbeat

with Joanne Linder

DOROTHY LAMOUR, who is starring in "A Medal for Benny" started collecting popularity titles when she won a beauty contest and became "Miss New Orleans."

ALAN LADD has played in at least one rain scene in all his starring pictures. His most recent drenching is in "Two Years Before the Mast" during a tropical hurricane.

BRIAN DONLEVY, starring in "Our Hearts Were Growing Up," first became interested in theatricals while a student at Annapolis. Upon leaving the U. S. Naval Academy, he started his career on the New York stage.

OZZIE NELSON, starring currently in "People Are Funny," was graduated with honors from Rutgers University and then earned a law degree at New Jersey Law School. But instead of practicing law, he turned to music.

PATRIC KNOWLES, who has served in the flying forces of both the U.S.A. and Canada and is a veteran private pilot, has to act air-sick when he takes a plane in "Masquerade in Mexico."

DONALD WOODS will portray the role of a manager of opera stars in Warner Bros.' forthcoming Technicolor musical, "The Time, the Place and the Girl." Dennis Morgan, Janis Paige, Jack Carson, Martha Vickers and Alan Hale have principal roles in the musical film.

FRED MACMURRAY, whose latest picture is the mystery comedy, "Murder, He Says," has now formed his own producing company with Leslie Fenton, the director.

Ann Rutherford, RKO starlet, gasps in amazement at all the good things in Hit Parader

### CAN'T YOU READ BETWEEN THE LINES?

Jule Styne Sammy Cahn

When I write to you and say  
"Ev'rything is o-kay"  
If my letters seem gay  
Can't you read between the lines?  
I go dancing when I'm blue  
As you wrote me to do  
But it's not like with you  
Can't you read between the lines?  
It might worry you  
If I told you I cried ev'ry night  
You'll tell me it won't  
But why take a chance that it might  
I'll be seeing you again  
Only Heaven knows when  
But, my dear, until then  
Can't you read between the lines?

### CANDY

Mack David Joan Whitney Alex Kramer  
"Candy," I call my sugar "Candy"  
Because I'm sweet on "Candy" and  
"Candy's" sweet on me  
He understands me my understanding  
"Candy"  
And "Candy's" always handy  
When I need sympathy  
I wish there were four of him so I  
could love much more of him  
He has taken my complete heart,  
Got a sweet tooth for my sweetheart,  
"Candy" it's gonna be just dandy,  
The day I take my "Candy"  
And make him mine all mine.

### A FRIEND OF YOURS

(From the Crosby Production "The Great John L.")

Johnny Burke Jimmy Van Heusen  
Just say that I'm a friend of yours  
And maybe they won't get wise  
And if they see us together  
I'll brush the dreams from my eyes  
I'll tell my heart it mustn't sing  
The song of remember when  
Just say that I'm a friend of yours  
That you happened to meet again.

### I DIDN'T KNOW ABOUT YOU

Bob Russell Duke Ellington

I ran around with my own little crowd  
The usual laughs, not often but loud  
And in the world that I knew  
I didn't know about you  
Chasing after the ring on the merry-go-round  
Just taking my fun where it could be found  
And yet what else could I do  
I didn't know about you  
Darling, now I know I had the  
loneliest yesterday;  
Ev'ry day in your arms I know for once  
in my life;  
I'm living had a good time ev'ry time  
I went out  
Romance was a thing I kidded about  
How could I know about love  
I didn't know about you.

## To People who want to write but can't get started

Do you have that constant urge to write but the fear that a beginner hasn't a chance? Then listen to what the editor of Liberty said on the subject:

"There is more room for newcomers in the writing field today than ever before. Some of the greatest of writing men and women have passed from the scene in recent years. Who will take their places? Who will be the new Robert W. Chambers, Edgar Wallace, Rudyard Kipling? Fame, riches and the happiness of achievement await the new men and women of power."

### BEGINNER EARNS \$1,819.00

"Today I received a check for \$165 for a story. Another I sold for \$34. The other day I counted up just how much I made previously. It amounted to \$1,820. Not bad for a beginner, is it?"—  
Mrs. L. L. Gray, 579 E. McHarg Ave., Stamford, Texas.

### Writing Aptitude Test-FREE!

NEWSPAPER Institute of America offers a free Writing Aptitude Test. Its object is to discover new recruits for the army of men and women who add to their income by fiction and article writing. The Writing Aptitude Test is a simple but expert analysis of your latent ability, your powers of imagination, logic, etc. Not all applicants pass this test. Those who do are qualified to take the famous N. I. A. course based on the practical training given by big metropolitan dailies.

This is the New York Copy Desk Method which teaches you to write by writing! You develop your individual style instead of trying to copy that of others. You "cover" actual assignments such as metropolitan reporters get. Although you work at home, on your own time, you are constantly guided by experienced writers. It is really fascinating work. Each week you see new progress. In a matter of months you can acquire the coveted "professional" touch. Then you're ready for market with greatly improved chances of making sales.

### THERE! I'VE SAID IT AGAIN

Redd Evans - Dave Mann

I love you, there's nothing to hide  
It's better than burning inside  
I love you, no use to pretend,  
There! I've said it again  
I've said it, what more can I say  
Believe me, there's no other way,  
I love you, I will to the end,  
There! I've said it again  
I've tried to drum up a phrase  
That would sum up all that I feel for you  
But what good are phrases?  
The thought that amazes is you love me,  
And it's heavenly, forgive me for  
wanting you so,  
But one thing I want you to know,  
I've loved you, since Heaven knows  
when,  
There! I've said it again.

### A STRANGER IN TOWN

Mel Torme

Just arrived on the seven-ten  
Tho't I'd see the old gang again  
But you know how they come and go  
I'm just a stranger in town.  
Everywhere—everyone I see  
Seems to wonder who I can be  
And I swear—no one seems to care  
About a stranger in town.  
I saw a cottage on a lonely old street  
The weeds 've grown 'round the gate  
Somehow I felt that you would wait  
here my sweet  
But it looks like I'm too late.  
Guess I'll leave on the twelve o two  
Can't believe that there's no more you  
Is there nothing for me  
Will I always be  
A stranger in my own home town?

### ALL AT ONCE

(From the 20th Century-Fox picture  
Where Do We Go From Here?)

Ira Gershwin Kurt Weill

All at once my lucky star was glowing  
All at once I knew I'd met my once-for  
all  
For I found when I heard you helloing  
That my heart somehow was answering  
your call  
Once or twice I thought I'd met that  
someone  
But I soon found that that someone  
never would do  
Felt I never would fall  
I'd given up my hoping when all at once  
My once for all was you.

### PLEASE DON'T SAY "NO"

(From the M-G-M Picture "Thrill of a Romance")

Ralph Freed - Sammy Fain

Please don't say "No" say "Maybe" or  
say "Come back in the Spring."  
Say any old thing, but don't say "No"  
Please don't say "No" 'cause baby  
I've so much love to impart, it's  
making my heart overflow  
Be sweet and kind and keep this  
thought in mind while you think  
it over  
Great loves from little friendships  
grow,  
So, please don't say "No" say "Maybe"  
And though I'd wish you'd confess,  
Right now I'd settle for less.  
Because in time, baby, you'll wind up  
saying "Yes"

### RIGHT AS THE RAIN

(From the B'way Musical Production  
"Bloomer Girl")

E. Y. Harburg - Harold Arlen

Right as the rain  
That falls from above  
So real, so right, is our love  
It came like the spring  
That breaks thru the snow  
I can't say what it may bring  
I only know, I only know  
It's right to believe  
Whatever gave your eyes this glow  
Whatever gave my heart this song  
Can't be wrong  
It's right as the rain  
That falls from above  
And fills the world with the bloom  
Of our love.

### I HOPE TO DIE

(IF I TOLD A LIE)

Little Jack Little

I hope to die if I told a lie  
When I said "I love you"  
I promise you ev'ry word is true,  
You always will be a sweetheart to me,  
It breaks my heart now that we're apart  
And I think of days gone by,  
It makes me cry and I hope to die  
If I told a lie.

### WHILE YOU'RE AWAY

(From the Warner Bros. Picture "My Reputation")

Stanley Adams - Max Steiner

Each night there are thoughts that I love  
and treasure  
Just dreaming of all the things we've  
done  
Each night I have more than my share of  
pleasure  
I count my memories one by one.

While you're away I'd rather be alone  
And dream about the sweetest thrill I've  
ever known  
While you're away can some new  
romance start  
Somebody else might fool my eyes, but  
not my heart  
Without your love I try to get along  
But when I add up life I find the answer  
wrong  
I go on hoping ev'rything will turn out  
right  
My heart is with you day and night  
While you're away.

### HOMESICK—THAT'S ALL

Gordon Jenkins

I miss the thrill of grammar school  
romances,  
I miss the junior prom and graduation  
dances,  
The gossip in assembly hall.  
I'm homesick, that's all.  
I miss the gang that hangs around at  
Miller's  
Devouring chocolate sodas with the  
whipped cream fillers,  
The boy I promised I would call  
I'm homesick, that's all  
I miss the midnight services on  
Christmas Eve  
And the joy when Christmas morning  
came  
I miss the scramble for the wish bone  
ev'ry Sunday  
And the big Thanksgiving football  
game  
I miss the times I had to set the table,  
I miss the rolls my mother made when  
she was able,  
The fragrant bonfires in the fall  
I'm homesick, that's all.

### LET'S SING A HYMN TO G. I. JIM

Jimmy Rule - Larry Stock

Let's sing a hymn to G. I. Jim  
A mother's son who fought to keep us  
free  
Let's say to him "God bless you Jim,"  
We're proud you helped to keep our  
liberty  
This time we won't forget the sacrifice  
you made  
So other sons won't have to pay the price  
that you have paid  
Let's sing a hymn to G. I. Jim  
And may his soul go marching on.

## SMILES

(Featuring in Warner Bros. "God Is My Co-Pilot")  
J. Will Callahan Lee S. Roberts  
Dearie, now I know just what makes me  
love you so,  
Just what holds me and enfolds me in its  
golden glow;  
Dearie, now I see 'tis each smile so bright  
and free,  
For life's sadness turns to gladness when  
you smile on me;

There are smiles that make us happy,  
There are smiles that make us blue;  
There are smiles that steal away the tear  
drops  
As the sunbeams steal away the dew,  
There are smiles that have a tender  
meaning  
That the eyes of love alone may see  
And the smiles that fill my life with  
sunshine  
Are the smiles that you give to me.

(From the Columbia Picture

Jack Popplewell  
One love, in my life forever  
There's one love, naught on earth can  
sever,  
Fate may divide us, but still  
I'll wait for you until  
No longer we're apart  
Only one love, haunting me so sweetly,  
Just one love, claiming me completely  
I'll always cherish a love that will  
flourish  
And stay forever in my heart.

# TEN CENTS A DANCE

A Columbia Picture

Starring

Jane Frazee - Jimmy Lloyd  
Robert Scott - Joan Woodbury

## TEN CENTS A DANCE

(From the Columbia Picture of the same name)  
Lorenz Hart Richard Rodgers

I work at the Palace Ballroom,  
But, gee, that palace is cheap;  
When I get back to my chilly hall room  
I'm much too tired to sleep,  
I'm one of those lady teachers  
A beautiful hostess, you know,  
One that the palace features  
At exactly a dime a throw

Ten cents a dance;  
That's what they pay me.  
Gosh, how they weigh me down!  
Ten cents a dance,  
Pansies and rough guys,  
Tough guys who tear my gown!  
Seven to midnight, I hear drums,  
Loudly the saxophone blows,  
Trumpets are tearing my eardrums  
Customers crush my toes.  
Sometimes I think I've found my hero  
But it's a queer romance  
All that you need is a ticket;  
Come on, big boy, ten cents a dance.  
Fighters and sailors and bowlegged  
tailors  
Can pay for their tickets and rent me!  
Butchers and barbers and rats from the  
harbors  
Are sweethearts my good luck has sent  
me

Though I've a chorus of elderly beaux  
Stockings are porous with holes at the  
toes

I'm here till closing time  
Dance and be merry, it's only a dime.  
Sometimes I think I've found my hero  
But it's a queer romance  
All that you need is a ticket!

## THERE GOES THAT SONG AGAIN

(From the Columbia Picture "10c a Dance")  
Jule Styne Sammy Cahn

There goes that song again,  
We used to call it our serenade,  
We fell in love when we heard it  
played  
Over and over and over and over again  
I still remember when  
I sang the words and they made you  
mine,  
I'd steal a kiss and repeat each line  
Over and over and over and over, and  
then,  
We drifted apart,  
You walked off with my heart.  
It's funny how one listen  
Just starts me reminiscin'.  
I'd soon forget that yen,  
I told myself when you said, "So long,"  
But I was wrong.  
There goes that song again.

## POOR LITTLE RHODE ISLAND

(From the Columbia Picture "10c a Dance")  
Sammy Cahn Jule Styne

Poor little Rhode Island the smallest  
of the forty eight  
You've got no prairie moon for which  
coyotes croon  
But I still think you're great  
You're such a teentsy weentsy poor  
little Rhode Island  
Let all the Texans yip-i-ay  
You're still the best part of this land  
I dearly love  
And I'll include Ioway  
They've written songs about the South  
they've written songs about the  
North  
And I have heard them say  
There's nothing finer than Carolina in  
the morning  
But how about the nights in poor little  
Rhode Island  
Be careful if you're fancy free  
In Providence one day she stole my  
heart away  
I dream of her constantly  
Let the sun shine bright on your old  
Kentucky home

Rhode Island's the place for me.

1. Jimmy Lloyd and Robert Scott (son of a millionaire) arrive in town for a farewell spree—they want to dance.

2. A life-size photograph of Jane Frazee outside the Merryland Dance Hall catches their eye and in they go.

3. Robert feeds money to Jimmy and he tries to impress Jane who sings in this dime-a-dance emporium.

4. John Calvert arranges a crooked crap game to raise money for an injured girl employee named Joyce.

5. Jane's roommate, Joan Woodbury, steps into the picture and falls for Robert Scott and vice versa.

6. The two girls make a foursome and they start out together to do the town, winding up in each other's arms.

## IN THE EVENING BY THE MOONLIGHT

(From the Columbia Picture  
"Rough, Tough and Steady")

James A. Bland

In the evening by the moonlight  
You can hear those darkies singing,  
In the evening by the moonlight  
You could hear those banjos ringing  
How the old folks would enjoy it,  
They would sit all night and listen  
As we sang in the evening by the  
moonlight.

## FOR THE FIRST TIME

(I'VE FALLEN IN LOVE)

(From the Universal Picture "Patrick the Great")  
Charles Tobias David Kapp

For the first time I've fallen in love  
And in no time at all

This want-you-near-me feeling is so  
new to me

Your love has done the thing no one  
could do to me

For the first time I know that it's real  
And if you feel as I do

Then the first time will be the last time  
I'll go right on loving you.

(WHAT MAKES YOUR BIG HEAD SO HARD)  
(From the Astor picture of the same name)

Fleecie Moore

Walkin' with mah baby  
She's got great big feet  
She's long lean and lanky  
Ain't had nothin' to eat  
But she's mah baby  
And I love her just the same  
Crazy 'bout that woman  
'Cause Caldonia is her name

## THE CURSE OF AN ACHING HEART

(Quartette song in United Artists'  
"It's in the Bag")

Henry Fink Al Plantadosi

You made me what I am today

I hope you're satisfied

You dragged and dragged me down  
until

My soul within me died

You've shattered each and ev'ry dream

You fooled me from the start

And though you're not true,

May God bless you,

That's the curse of an aching heart.

**Y**OU need not stay out of the water on "those days" now that *Tampax* is available because this form of sanitary protection is worn internally, throwing pins and belts completely into the discard. ## A LITTLE ON THE LONELY SIDE

Dick Robertson James Cavanaugh Frank Weldon  
I'm a little on the lonely, a little on the  
lonely side;

I keep thinking of you only and wishing  
you were by my side;

You know my dear, when you're not  
here, there's no one to romance  
with;

So if I'm seen with someone else it's just  
someone to dance with.

Ev'ry letter that you send me I read a  
dozen times or more.

Any wonder that I love you more and  
more

Oh! How I miss your tender kiss and  
long to hold you tight,

I'm a little on the lonely side tonight.

## LET'S TAKE THE LONG WAY HOME

Johnny Mercer Harold Arlen

Let's take the long way home

Let's look for the long way home

And on the way, let's pretend

That this wonderful night won't end

Through Asia would be much too soon

We'll circle once around the moon

Our dream boat will carry us across the  
foam

We'll take the long way, make sure it's  
the wrong way,

Let's take the long way home

Shall we fly through the night, shall we  
dream as we go?

See the star on your right, see the farm  
down below?

The whole trip it appears, only takes a  
million years

If you're in the mood to roam

Then let's take the long way home.

## LAURA

Johnny Mercer David Raksin

Laura is the face in the misty light

Footsteps that you hear down the hall

The laugh that floats on a summer night

That you can never quite recall

And you see Laura on the train that is  
passing thru

Those eyes how familiar they seem

She gave your very first kiss to you

That was Laura but she's only a dream.

## MORE AND MORE

E. Y. Harburg Jerome Kern

More and more this heart of mine  
confesses;

More and more I'm caught in your  
caresses

Warmed by the breath of your sighs;

Cooled by the blue of your eyes

More and more I find it more than  
thrilling

To share this dream that needed  
fulfilling

More and more I'm less and less  
unwilling

To give up wanting more and more of  
you.

## JUST A PRAYER AWAY

Charles Tobias David Kapp

There's a happy land somewhere  
 And it's just a prayer away  
 All I've dreamed and planned is there  
 And it's just a prayer away  
 Where the skies look down on a  
 a friendly town  
 Filled with laughing children at play  
 Where my heart will sing for it means  
 one thing

I'll be home at the close of each day  
 There's a happy land somewhere  
 And it's just a prayer away.

## OUT OF THIS WORLD

(From the Paramount Picture "Out of This World")  
Johnny Mercer Harold Arlen

You're clear out of this world  
 When I'm looking at you  
 I hear out of this world  
 The music that no mortal ever knew  
 You're right out of a book  
 The fairy tale I read when I was so high  
 No armored knight out of a book  
 Was more enchanted by a Lorelei that I  
 After waiting so long for the right time  
 After reaching so long for a star  
 All at once from the long and lonely  
 night time

And despite time

Here you are

I'd cry out of this world

If you said we were through

So let me fly out of this world

And spend the next eternity or two  
 with you.

Don't blame me for falling in love

What could I do.

Dad and brother too

I don't want no other

For my love is you.

## I WALKED IN

(From the 20th Century-Fox Picture "Nob Hill")  
Harold Adamson Jimmy McHugh

I walked in with my eyes wide open

Right into the arms of love

Hardly more than a word was spoken

But with that word I knew the ice was  
 broken

I saw you with your arms wide open

And I didn't need a shove

I walked in with my eyes wide open

And I fell madly in love

### THERE MUST BE A WAY

Sammy Gallop David Saxon Robert S. Cook

There must be a way  
To help me forget that we're through  
There must be a way  
To stop me from dreaming of you.  
There must be a star in the skies  
That isn't reflecting your eyes;  
There must be a way to disguise  
How much I miss you.  
There must be a song  
That doesn't remind me of you;  
There must be a kiss  
To thrill me like yours used to do.  
I looked for a way to be happy,  
Happy with somebody new  
Oh! There must be a way,  
But I can't find the way without you.

Sammy Cahn Julie Styne.

I fall in love too easily,

## Why Be SKINNY?

When You, Too, May  
**GAIN WEIGHT**  
and Perhaps Have Those Full  
Glamorous Curves Men Admire

Are you thin, gawky, underweight due to lack of sufficient vitamins? Don't be! Let added weight help to round out your curves as Nature intended them to be. Men admire well developed, beautifully moulded women. Poor appetite and lack of necessary vitamins probably cause many underweight conditions. You may eat three meals a day, yet be vitamin and mineral starved. **BEAUTY FORM-TABS** contain Vitamins A, B1, C, D, and G (B2) plus calcium pantothenate, phosphorus, and iron—which may be the vitamin and mineral supplement you need for that improved appetite and added weight that often means added curves on your figure.

A well developed, shapely, normal figure attracts, inspires, and often leads to love and romance. Use the **BEAUTY FORM-METHOD** to help you gain normal weight, thereby often transforming your figure into adorable rounded curves.

**FREE** with every order: Special Brochure on **HOW TO IMPROVE** the appearance of your CHEST and Figure.

Order the **BEAUTY FORM METHOD** today. Only \$2.00, postpaid if remittance accompanies order, or C.O.D. plus postage. Try it for 10 days at our risk. You must be satisfied or we guarantee to refund your money.

## WANT STUNNING LONGER NAILS?

Ugly, ragged, brittle fingernails don't grow gracefully to the desired length.

### LONGO-NAIL (Goes a Long Way)

Nails often become dry, brittle, easily broken, due to the rigors of housework, war work, or lack of proper care. Moreover, manicures and nail polish, if improperly applied, often cause fingernails and cuticles to crack and become ugly. Use **LONGO-NAIL**. Helps keep the cuticle soft. Aids in the proper care and appearance of the nails, permitting them to grow gracefully to the desired length. Just apply **LONGO-NAIL** on your fingernails and cuticles before retiring. 6-months supply and full simple directions, only \$1.25 postpaid, or C.O.D. plus Federal tax and postage. **GUARANTEED** effective or money back. **BEAUTY AIDS**, Dept. 8-AAB, 89 Flatbush Avenue, Brooklyn 17, N. When we're sitting close together  
In a cozy taxicab

Must you yah-ta-ta, yah-ta-ta

## EV'RY TIME WE SAY GOODBYE

Cole Porter

Ev'ry time we say goodbye I die a little,

Ev'ry time we say goodbye I wonder  
why a little,

Why the gods above me who must be  
in the know

Think so little of me they allow you  
to go

When you're near there's such an air of  
spring about it,

I can hear a lark somewhere begin to  
sing about it,

There's no love song finer,

But how strange the change from major  
to minor

Ev'ry time we say goodbye.

### JUNE IS BUSTIN' OUT ALL OVER

(Featured in the Broadway hit "Carousel")  
Oscar Hammerstein II Richard Rodgers

June is bustin' out all over!

All over the meadow and the hill!

Buds 're bustin' out a bushes

And the rompin' river pushes

Ev'ry little wheel that wheels beside a  
mill!

June is bustin' out all over!

The feelin' is gettin' so intense,

That the young Virginia creepers

Hev been huggin' the bejeepers

Out-a all the mornin' glories on the  
fence!

Because it's June! June, June, June,

Just because it's June! June! June!

Fresh and alive and gay and young,

June is a love song sweetly sung.

### YOU'LL NEVER WALK ALONE

(Featured in the Broadway hit "Carousel")  
Oscar Hammerstein II Richard Rodgers

When you walk through a storm, keep  
your chin up high

And don't be afraid of the dark

At the end of the storm is a golden sky

And the sweet silver song of a lark

Walk on through the wind, walk on  
through the rain

Tho' your dreams be tossed and blown

Walk on, walk on, with hope in your  
heart

And you'll never walk alone

You'll never walk alone.

### IF I LOVED YOU

(Featured in the Broadway hit "Carousel")  
Oscar Hammerstein II Richard Rodgers

If I loved you

Time and again I would try to say.

All I'd want you to know

If I loved you,

Words wouldn't come in an easy way

'Round in circles I'd go

Longin' to tell you, but afraid and shy,

I'd let my golden chances pass me by!

Soon you'd leave me

Off you would go in the mist of day,

Never, never to know

How I loved you

If I loved you.

J. R. Shannon

Over in Killarney, many years ago,  
Me Mither sang a song to me, in tones  
so sweet and low,  
Just a simple little ditty, in her good  
Irish way  
And I'd give the world if she could sing

That song to me this day.  
Too-ro-loora loo-ral,  
Too-raloo-ra-li,  
Too-ra loo-ra-loo-ral,  
Hush, now don't you cry

### LUCKY TO BE ME

(From the B'way Musical Production  
"On the Town")

Betty Comden Adolph Green Leonard Bernstein

What a day, fortune smiled and came  
my way,

Bringing love I never thought I'd see,  
I'm so lucky to be me

What a night, suddenly you came in  
sight,

Looking just the way I'd hoped you'd  
be;

I'm so lucky to be me;

I am simply thunderstruck at this  
change in my luck,

Knew at once I wanted you,  
Never dreamed you'd want me too;

I'm so proud you chose me from all the  
crowd,

There's no other guy I'd rather be,  
I could laugh out loud,

I'm so lucky to be me.

### TIPPIN' IN

Marty Symes Bobby Smith

I'm tippin' in, tip, tippin' in  
Hope she won't be waitin'

I'm tippin' in; I'm tippin' in,

Slip, slippin' in,

I wonder if she's wavin' that rollin' pin;

Hey, feet be quiet, the dawn is breakin';

There'll be a riot if she should waken;

Does my head spin, where have I been?

I better take my shoes off,

I'm tippin' in, I'm tippin' in.

### A SONG TO REMEMBER

Based on Chopin by S. Label

A song to remember

While we're apart

Thru every dream

Of you sweetheart

It will sing in my heart

It will guide me, thru the darkness  
shadows and rain

Until I hold you in my arms darling  
again

The clouds are grey now

We know each tear

And every fear away

For I shall have a song to remember  
you.

### WHAT MAKES THE SUNSET?

(From the M-G-M Picture "Anchors Aweigh")

Sammy Cahn Jule Styne

What makes the sunset? What makes  
the moon rise?

What makes the tide remember to hide  
and why does it soon rise?

What makes a star fall? Where does it  
fall to?

Why does its flight make us stop in  
the night and wish as we all do?

And what holds a cloud together?  
Makes the sky so blue?

What makes a sunset? What makes the  
moon rise?

Is it my love for you?

### SENTIMENTAL JOURNEY

Bud Green Les Brown Ben Homer

Gonna take a sentimental journey,

Gonna set my heart at ease,

Gonna make a sentimental journey

To renew old memories

Got my bag, I got my reservation,

Spent each dime I could afford

Like a child in wild anticipation,

Long to hear that "All aboard"

Seven, that's the time we leave, at seven

I'll be waitin' up for heaven,

Countin' ev'ry mile of railroad track  
that takes me back

Never thought my heart could be so  
"yearny"

Why did I decide to roam?

Gotta take this sentimental journey,

Sentimental journey home.

### MY NURSE CORPS NIGHTINGALE

Pfc. John J. Torbik (Purple Heart)

George E. Banbury

In my darkest hour to comfort me,

There stood a Nurse Corps Nightingale

She made that bright tomorrow that I  
see,

Where two hearts in love will prevail

'Twas then and there I knew the one  
above

Had sent an angel down to me

I vowed in pray'r that I would never fail

Again to live,

Always to love my nurse corps

**THIS DAY AND AGE**  
Roy Kaiser Nic Harper  
Ev'rything is changing places  
In this day and age,  
Fancy shoes with colored laces  
In this day and age  
Talk is getting jivey  
Hepcats ev'rywhere  
Girls are wearing pigtails  
With bows in their hair  
Of old haunts you'll find no traces  
In this day and age  
Bobby socks and juke box places  
In this day and age  
Tho' there may be changes  
One thing that's still the rage  
That's love it's still as new as ever  
In this day and age.

**ON THE SUNNY SIDE OF THE  
STREET**

Dorothy Fields Jimmy McHugh  
Grab your coat, and get your hat  
Leave your worry on the doorstep  
Just direct your feet  
To the sunny side of the street  
Can't you hear a pitter pat?  
And that happy tune is your step  
Life can be so sweet  
On the sunny side of the street,  
I used to walk in the shade  
With those blues on parade  
But I'm not afraid  
This Rover crossed over  
If I never have a cent  
I'll be rich as Rockefeller  
Gold dust at my feet  
On the sunny side of the street.

**MY MOTHER'S WALTZ**  
Dave Franklin  
My mother's waltz,  
"Go to sleep my baby, don't you cry."  
My mother's waltz,  
It's the one I heard in days gone by.  
Though the song is old  
It will always be young;  
It's still the sweetest story  
That's ever been sung.  
My mother's waltz  
Will live forever in my heart.

I love my boy,  
My darling Dahrahgoy,  
And we have a looling-kah  
So full of life and joy;

# Three months after taking your course I STARTED TO PLAY FOR DANCES

**"Before I took it I didn't  
know a note of music"**

*says Miss Rosie Montemurro of Vancouver, B. C., Canada*

## READ MISS MONTEMURRO'S LETTER

"Words cannot express my feelings to the U. S. School of Music. Before I took your Course I didn't know one note of music. Then three months later I started to play for dances. I have been invited to many parties and made people very happy with my music. They enjoy my playing so much. I never saw anything like this Course before. It has a clear and careful explanation in every lesson. It's easy and very interesting.

I am happy and proud of this beautiful Course.

Truly yours,  
Miss Rosie Montemurro."

## You, too, can learn your favorite instrument quickly, easily, for ONLY 7c A DAY

THE LETTER above is typical of the many we have received from the more than 750,000 people who have taken our courses...expressing appreciation for the way we have helped make their musical dreams come true.

Yes, literally thousands of people, who didn't know one note from another before, are now playing their favorite instruments... thanks to this amazingly simple way to learn music right at home, in spare time, for as little as 7c a day.

Here's why the famous U. S. School

of Music "Print and Picture" method of instruction is so successful... You learn to play by playing... and you have loads of fun doing it. No long-winded, difficult explanations... no tiresome exercises... no trick numbers or "Play-by-ear methods." You learn to play real tunes by actual notes from the very beginning.

And it's all so clear... so easy to understand. First the simple printed instructions tell you how to do something. Then a picture shows you how to do it. Then you do it yourself and

hear how it sounds. You just can't go wrong.

If you sincerely want to play a musical instrument... if you want to win new friends, new popularity... and get more fun out of life... mail the coupon below asking for our FREE "Print and Picture" Sample and Illustrated Booklet. Then you can see for yourself how easy and pleasant it is to learn music this modern, shortcut way. Check off the instrument you wish to play. But don't wait... act today. U. S. School of Music, 188 Brunswick Bldg., New York 10, N. Y.

## See how easy it is!

"My country 'tis of thee, sweet land of liberty"

Look at the diagram. The first note on the music is "C." Follow the dotted line to the keyboard and locate "C" on the piano. Find the other notes the same way. Now strike the notes as indicated and you'll be playing the melody of that famous patriotic hymn, "America." Easy as A-B-C, isn't it?
